

Research Policy @ HMV

A Research and Development Cell has been established at HMV, Jalandhar “**HMV-Anusandhan Kendra**’ w.e.f 12th April, 2022. The cell has been developed under the aegis of UGC with a vision of putting in place a robust mechanism for developing and strengthening the research ecosystem saligned with the provisions of NEP-2020. The mission of this Cell is to create a conducive environment for enhanced research productivity, encourage collaboration across industry, government, community- based organizations, and agencies at the local, national, and international levels and to facilitate greater access to research through mobilization of resources and funding.

Main Objectives of HMV-Anusandhan Kendra

The HMV Anusandhan Kendra will be headed by Principal. Dean, Innovations and Research will be responsible for effective functioning of the cell and to build a sustainable research ecosystem that leads to consistent quality research outcomes and enhanced productivity. A vibrant research ecosystem will be developed in HMV under the aegis of this cell to provide meaningful thrust for sustainable research and innovation and promote collaboration between government, universities, research institutes and industries. A research policy will be in place to facilitate planning, implementation, and monitoring of research activities in the institution.

Salient features of Research Policy @ HMV

- Each faculty member should publish at least one book chapter or research/review paper in good quality journals (indexed in Scopus/WOS/UGC approved list of journals) per semester. It is mandatory to acknowledge Hans Raj Mahila Maha Vidyalaya, Jalandhar in the publication and mention Hans Raj Mahila Maha Vidyalaya, Jalandhar in author affiliation.
- A soft copy of publication must be submitted to the office of Principal, IQAC and Dean, Innovations and Research.
- The college will support research project proposals of the faculty with seed money (upper limit Rs. 10,000/-) subject to the availability of the grant. The duration of the

research project can be from 6 months to 3 years. A monthly progress report of the project will be submitted to the Office of Principal, IQAC and Dean, Innovations and Research.

- Research Awards/ Young researcher award will be given annually for extraordinary research work.
- **Quality, integrity** and **ethics** in research must be ensured.
- Teachers must aspire for national and international collaborations and extramural funding for research purpose.
- Faculty is advised to undertake socially useful research with potential for commercialization/IPR and other similar activity.
