HMV Hostels

Facilitating Your Journey Towards Success

HMV premises houses three aesthetically designed spacious hostels, Ojaswi, Kirti and Pragati, along with Sports Wing. The college dorms are full with inspiring tales of magnetic young women who have developed into exceptional and accomplished individuals. The rich green and serene ambience provides an ideal environment to nurture positivity and gentleness into the youth. A stroll down the winding roads flanked with lush green vegetation in a variety of tones and tints is essentially an antidote to the stressed brains and a calming experience to reflect, think, and refresh thereby enhancing the capabilities of the young minds. Our resident scholars are fortunate to benefit from these daily journeys into themselves, and the results are evident in the wonderful accomplishments that HMV may be proud of. We work hard to foster a supportive environment that is both academically and psychologically gratifying and is characterized by care, affection, and mutual cooperation. It is a proud fact to share that our hostels are a home to students from as many as 16 states of the country.
